

Welcome to U3A Armadale

Welcome to the University of the Third Age, Armadale Incorporated (U3A Armadale Inc.)

U3A Armadale, which commenced in 1997, is part of an international network which was founded in France in 1973 and now has chapters in many different countries.

Our group is part of the U3A Network of WA which in turn is part of the Australia wide U3A network. U3A provides opportunities for seniors to stay both physically and mentally active and to continue learning during their retirement years. To achieve this goal, we provide presentations on a variety of subjects as well as group activities and outings.

Some of our activities are cost free and where a cost is incurred, it is passed on to those members participating in the activity. The most common cost is room hire for group activities.

We have a hearing augmentation programme which enables all members to participate in the meetings. The free headphones are available at the back of the hall.

We invite you to attend for 3 meetings without payment. After the third visit, the charge is \$3.00 per meeting and \$30.00 per year per person for membership. Our membership year runs from July to June. There is a pro-rata fee if you join between February and June.

Attached is a full list of activities currently available to you. We are always keen to run specific interest groups and if you would like to be involved, please let us know. If you wish to discuss membership of U3A Armadale Inc. please speak to our Membership Officer, Patsy, at the meeting or by email u3aarmadalewa@gmail.com. Our telephone number for the Secretary is 0414 053 421.

Thank you for visiting a Tuesday morning meeting of U3A Armadale. The Management Committee hope that you do become a member and that this is the beginning of a long and interesting association with us at U3A Armadale.

Welfare.

U3A Armadale is not set up to provide welfare or support services to its members, but we do have a policy of contacting members who have not been seen or heard from for a while. This is seen as a safety net. For further information contact Caroline on 0408 931 936.

Our meetings

We meet on the first and third Tuesdays of each month at 9.30 to 12 noon from February to November at the Evelyn Gribble Community Centre, 140 Ninth Road in Brookdale.

The meeting commences with a guest speaker on a particular topic, followed by morning tea from 11-11.30 and the meeting continues with updates on the various activities from the group organisers and concludes with general notices. This is also an opportunity for members to raise any concerns or ask questions relating to our U3A club. During morning tea and before the meeting commences you are invited to talk with the committee members and group organisers and sign up for courses or trips. Take the time to chat and connect with other members!

Morning tea is provided by our members based on a 'bring a plate' roster. Bringing a plate should not be onerous. You might like to bring a plate of homemade sandwiches, a cake or any savory items, but conveniently shop-bought sweets, cakes and biscuits etc are also appropriate and welcome. To ensure a supply of food for each meeting members are rostered to 'bring a plate' on specific dates. An email will be sent out to rostered members as a reminder to 'bring a plate' on their rostered meeting date and to ensure we can cover any shortfall in food items that may occur at various times.

In addition to the 'bring a plate roster', we also have a 'kitchen helper' roster as we need some members to be part of the kitchen crew to put out the morning tea as well as clear away and wash up crockery.

If you know you will be absent or unable to assist when your turn comes up on the kitchen or 'bring a plate' roster please let Rose, the Kitchen Coordinator know – Phone: 0427 087 436

About U3A Armadale Inc.

Governance

We are a not-for-profit incorporated body governed by the requirements of the *Associations Incorporation Act 2015* (the Act). We are required to have and we do have Public Liability insurance. The Act also requires that we have a set of rules by which the organisation is governed. This set of rules is generally known as 'The Constitution' which can be viewed on our website at www.u3aarmadalewa.org.au

U3A Armadale Inc is managed by an elected committee, consisting of a President, Vice President, Secretary, Treasurer and seven ordinary committee members. We also operate sub-groups to organise and run specific activities such as the outings (trips) sub-group and the education sub-group.

The committee is responsible for the overall running of the organisation but many features and activities on offer to members very much depend on our members becoming involved. Most of our current activities on offer are run by members who are able to volunteer a few hours of time each month to run a specific activity. A Committee handbook which details how various functions are organised is available for all members on our website.

Elections for the Committee are held on the first Tuesday of August each year and all positions are vacated at this time.

Elected committee members are all volunteer members and the 'work' they do (such as sending out emails and flyers, processing applications, collecting monies, purchasing equipment, maintaining the budget, banking, reporting to various governing bodies, and organising functions, events and activities – to name just a few tasks) is done in their spare time and for the benefit of all members.

Financial

As a community-based organisation, we are entirely reliant on our members to meet the costs of running the organization.

To help boost our income we hold a raffle at each Tuesday meeting and tickets are \$2 each, or \$5 for three tickets. Participation in the raffle is entirely voluntary.

The prize is generally a \$30 Coles or Woolworths shopping voucher although members donate additional prizes from time to time.

Government or Lottery West grants are sometimes available to organizations such as U3A. These grants are offered for specific purposes and if they suit our needs or requirements we may submit an application. We are not always successful in obtaining such grants, so we do not budget for this type of income.

Our accounts are independently audited each year and all members receive a copy of the audit report in time for the Annual General Meeting that is held in August each year.
